Guaranteed Analysis

Total Nitrogen(N)	18.0%
Available Phosphate (P2O5)	46.0%
Soluble Potash (K2O)	0.0%
Iron (I)	0.0%
Slow Release Nitrogen.....	0.0%

50 lb. (22.68 Kg)

Apply product at a rate of 5 – 10 lbs./1000 sq. ft. Quantity and timing should be applied according to qualified individuals, landscape management professionals, crop-advisor, agronomist or applied to recommendations in your nutrient management program. Do not apply near water, storm drain or drainage ditches. Apply this product only to your lawn, trees, bushes and flower bed. Sweep excess product that lands on driveways, sidewalk or street back into your lawn to allow plants to utilize nutrients for a specific use.
