	SX3030L	BX3030L	BXSQ3030L			Terragrid SX3030L		BXP30L	BX30L

- Notes:
1. These Perceived Equivalents are to compare products and are for reference only. This table should not be used for design purposes.
 2. This table compares only punched and drawn geogrids. Geogrids of different construction should be compared on a project-by-project basis through performance properties rather than index properties.
 3. These products are made to order. Please contact your local Geo Sales Associate for availability of products.
